

MINISTRY WIVES RETREAT

FRIDAY & SATURDAY
SEPTEMBER 13-14, 2019

Casual Camp Atmosphere just outside Pittsfield, IL
Infants Welcome - Mark Your Calendars - **RSVP Today!**

Featuring speaker and author
Laura Mullenix, Director of BethNuah Ministries

Dear Ministry Wife,

God has placed you on my heart. The unique struggles of ministry often go unnoticed by those around us, and trustworthy friends can be hard to find. Ministry families often find themselves under spiritual attack and in need of encouragement from someone who understands. Ministry families need ministered to, too! This retreat is for you!

Laura Mullenix will be our speaker/teacher. She is a minister's wife with a heart for other wives. Her relatable, compassionate teaching will be sure to touch your heart. She has been through struggles, understands the pressures, and has been called to minister to women just like us. The grace of Jesus shines in her.

****Laura has so graciously offered to travel all the way from Texas to minister to you and has only asked for a free will donation! Please consider bringing an offering for her in addition to your registration fee.****

Please prayerfully consider attending this retreat—we are trusting that God will provide healing, rest, friendship and encouragement to those who attend.

The retreat will be held at Mississippi Valley Christian Service Camp (MVCSC). More info about MVCSC is on the other page. Cost for the retreat is \$25. (If cost is a hindrance for your attendance, please call and we will work something out.)
